N o t e.

1. This may be done -
and

Article 6. I would omit the second sentence of article ^{the} ~~6~~. It does not, in my opinion, serve any useful purpose. In other words, I would adopt the British Rule.

Article 9(a). I would adopt this.

Article 12. Ditto.

Article 46. Ditto.

Article 49. 119A is the proper place, the subject dealt with being "Joining time".

Article 53 (a) & (b). Adopt ^{the} and omit 152.

Article 74. Adopt. [^]

Article 76. Yes.

Article 78. Omit first sentence.

Article 81. "or District" may be added with the addition suggested by the Secretary.

Article 87. The addition may possibly be a surplusage but there is no harm in making it as has been done in British India.

Article 101. Adopt.

Article 111. This alteration is all right.

Article 112. Proposed change may be made ~~or~~ irrespective of whether there is need for it or not.

Article 124. Adopt.

Vice remarks in my note -
and

This is not supported by the British rules & the addition does not seem called for -
and

Article 135. I don't see why we should reduce the British limit. 250 may be adopted.

Article 138. I would not go further than what British India has done. There is much in what the Secretary says. Let us, however, leave the article alone.

Article 148. Adopt.

Article 149&150. These correspond to articles 250(a) & 250(b) of the British Regulations. The heading and language of the latter may be adopted as suggested by the Secretary.

19 & 20 This may be done -
und

Article 152. Adopt.

22 This may be done. Article 153. The phraseology of the British Service Regulations may be adopted.

Article 154. This is quite out of place in our Regulations and may as suggested by the Secretary ^{be} expunged.

24. The word 'or' Article 162(a). The word "or" after the words proposed to be added would make the meaning clearer. It is found in the British Regulations Article 229(i). Why it has not also been inserted in 222(ii) ~~it~~ does not appear.

may, as suggested,
be added.
und

The note to article 229 of the British Service Regulations may be added.

Article 165(a). The additions and note to this may be adopted.

Article 166. "on privilege leave" in the office copy is wrong and must be omitted.

The words proposed to be added are all right.

Please see the addition I have made to the heading at page 64. This and Appendix 6 are not to be found in the copy put up.

The correction slips contain-
ing these additions have since
been pasted in their places -

und

Article 226. Note 2 is new and is in accordance with recent orders and may be adopted.

Addition to note at page 68 is all right.

29. What is found in Art. 321 and 322 of the British Regulations is contained in Chapter XIII A of the Mysore Regulations & the provision seems applicable - The word 'or subsidiary' may, as proposed, be added -
msd

Article 261. For definition of "Subsidiary leave", please see article 321 of the British Service Regulations. See also article 322 of ditto. Article 227 of our Regulations seems questionable and so too the addition proposed to be made to article 261.

30. This may be done. The word 'Mysore' being 'subsidiary' for 'India'.
msd

Article 264. The words "on duty" have been transposed. I don't think this is quite correct. Article 412 of the British Service Regulations which we are copying contemplates (i) employment on duty before termination of leave, and (ii) detention on duty after termination of leave. The phraseology proposed seems incorrect. I would adopt the British phraseology.

31. Vice remarks against Article 261. Privilege and Subsidiary leave are of the same class and may be retained.
msd

Article 303. My only doubt is about "subsidiary leave".

32. This may be retained.
msd

Article 307(b). Where is the need for the ~~for the~~ omission of this? Why not allow it to remain though it has hitherto been a dead letter?

The verbal change proposed is suitable.

ll Article 309. The verbal alteration proposed may be adopted.

ll Article 310. The change proposed may be adopted. The word "forward" has apparently purposely been substituted for "submit" as the "audit officer" who I believe is the Comptroller cannot be expected to "submit" to several ^{of the} officers named in article 309.

Articles 320 A, 325 and 330. May be adopted, and

Article 330 A. Omitted.

Article 333 A. Adopt.

Article 350 A. Illustration may be adopted.

Article 461 A. Is any special mention of a Bank

45. 'An authorized banker' would be more appropriate and may be adopted.

necessary? I would substitute for

"Messrs Coutts & Co." the words "an authorized banker".

Article 466. Adopt.

Article 475. Adopt.

Article 476. Adopt.

Article 515. Adopt.

Article 516. The need for this note is not

45. I agree with the Comptroller that this is a necessary provision. It is intended to mean that any journey to be deemed as containing a travelling allowance must extend beyond the Municipal or other Administrative limits of a Station. Some such limit would be desirable to check abuse of the existing rules (Article 551) and the proposed note may be added -

clear. It perhaps refers to the Mysore City Municipal Vice President's visits to the Chamundi Hill and the Belagola Pumping Station. I agree with the Secretary that this should be omitted. I do not see why in these cases travelling allowance should not be permitted.

Article 530 A. "A non Gazetted officer" is an expression difficult to understand.

It may, however, stand as we have in Mysore no classification corresponding to that in article 1002 of the British Service Regulations.

Article 532 A. Not happily worded. I would

48. This may be done -

adopt as nearly as possible the phraseology of British Article 1006.

Article 534. For "the appointments" I would substitute them "them", and for "such

allowances" "such allowance". The wording of the British Rule may be adopted.

47. This may be done -

49. This may be done -

und

Article 543. May be adopted the words "except tentage" being enclosed in brackets as in the British Rule.

Article 545. All right, except that I am not sure that the word "travelling" in the second line is correct. It is not to be found in the British Rule.

7. The British Rule may be adopted.

und

Article 546. Seems all right but ~~the wording of~~ the British Rule reads better and seems more accurate.

Article 555 (a). Adopt.

Article 580 (a). Adopt.

This is contained Article 661 of the Mysore Regulations.

slip A und

Article 616. May be adopted with the addition in the British Rule omitted in our Rule for reason not stated.

Change of Form No: 2. ^x May be adopted.

The above are a few ideas which have occurred to me. On the whole, the modifications proposed and which are based on the British Service Regulations, may be adopted.

I am afraid that owing to the very large number of changes made since the publication of the present Edition of the Mysore Service Regulations, a revised Edition, so as to avoid confusion, will soon have to be undertaken.

Note — Dear Sir,

Article 87	Insert the following as a rule under this article:— (1) A Section-writer or Press-servant who is paid for piece-work is, for the purpose of the rules in this chapter, held to be an officer without a substantive appointment.	Art. - 140 — do —	Quarably lists showing all cases, in which the principle of the foregoing rule has not been followed in practice in respect of absence of gazetted officers or privilege leave of six weeks or less ~~shall~~ be sent by the Local Govt. to the Govt. of India in the Administrative Reports concerned. — Nil —	It is a point for consideration whether similar rules may be called for, from the various States. In cases where such cases come to Govt. for individual consideration. The note appended to the same is unnecessary as the same consequences follow both in the one case and the other.
Article 101	Substitute the following for the first three lines of this article and omit Art. 103:— Ordinarily an officer appointed substantially to a progressive appointment begins with the minimum pay. But if the appointee is one in which he has already officiated his pay is fixed as follows:—	Art. 156 — do —	Nil	may be added (E.g. Sec. & J. Sec. Cons. & Sec. may be applied.)
Article 111	Substitute the following for this article:— 111. Government may appoint an officer to hold permanently two or more appointments at the same time. The salary of an officer appointed to office in two or more appointments, which appointments have been combined as a single charge, is calculated upon the pay fixed for the combined appointment, article 112 being inoperative in such a case.	Art. 167 — do —	In the B.C.S. Rules there is the following clause between the words "time" and "the" "if their aggregate pay does not exceed Rs 250/- a month." (drafted)	may be added (E.g. Sec. & J. The Govt is desirous of inserting in the B.C.S. Regs the words "or the head of the dep't" after the word "Government" in line 3 of this article.

Substitute the following for this article: —

154. No rule in these Regulations authorizes the grant of leave (a) of any kind to an officer who ought to be dismissed or removed from the service for misconduct or general ineptitude. It has been mechanically imported & may be altogether removed ^{there is no need for it}.

24 Article 162 (a) —

Insert "Furlough" under chapter XIII (a) after "was" in the first line of clause (i); and "Special leave" under chapter XIII A.

In the place of (a) "leave of any kind" there is "furlough" in the B.C.S. Regs.

The Comptroller's reason for departure is the grant of any other ^{leave} cannot have been intended to be permitted.

The existence of 2/6 & 2/7 in the B.C. Regs necessitates insertion of 2/8. As those two are not required, we do not require our 154 at all. It has been mechanically imported & may be altogether removed ^{there is no need for it}.

In the B.C.S. Regs the clauses (i) and (ii) read as follows: —

"(i) if his leave was Furlough under the European Leave Rules or Furlough or Leave or Medical certificate under

In the B.C.S. Regs there is also the following note to this article: —

This sup^m does not affect the liability of an officer overruling leave to forfeit past service under the rule in art. 420 (b)."

Note — This article does not affect the liability of an officer overruling leave to forfeit past service under the rule in art. 420 (b)."

Also insert the following as a

note at the end of the article:—

Note—If the maximum limit prescribed in clause (i) or clause (ii) of this article is exceeded, the excess (if not due to an extension of leave on medical certificate) shall be dealt with under art. 162. If on the other hand, the officer returns from leave before the end of the minimum period of six months fixed by clause II of the article, the requirements of the rule shall be held to have been practically met if the date of return is not more than four weeks before the end of six months."

Insert the words "not subject to the rules under chapter III A" after "officer" in line one of this article.

In the B.C.P. Rules in the place of the insertion now proposed, there is the following entry:— "subject to the Service Leave Rules"

may be added

(a) See the place for the word "the" there is the word "an" and between "of" and "six" there is the word "the" in the B.C.P. Rules.

(b)

27. Articles 226 & 27

Insert the following notes under each of these articles:

Note 1. The grant of leave under this article is subject to the condition that the officer returns to duty at the end of the leave. In applying for leave, the officer must send a declaration that he has no intention of ~~retiring~~ retiring for three months after his return to duty.

Note 2. — The condition given in Note 1. does not apply to an officer who has been granted privilege leave ~~preparatory~~ preparatory to retirement.

Articles 301 & 345 — do.

In the B.C. P.R. there is no note corresponding to Note No 2 now proposed. Because in British Law, privilege leave preparatory to retirement is not granted. Note 2 is ~~not~~ proposed as per order ~~conveyed~~ conveyed in G. O. No. 112, P.H. 159 of 5/8/02. (F. H. A.).

The Comptroller has submitted certain addenda and corrigenda to the Mysore Service Regulations, taken mostly from the latest edition of the British Regulations. These and the corresponding provisions of the British Service Regulations are embodied in a tabular statement appended hereto.

2. The changes proposed are mostly verbal, and inserted with a view to render the rules clearer, while some are intended to group in their proper places the rules which bear upon the same or similar subjects. Opportunity has also been taken to rectify a few errors and supply a few omissions.

3. The only change of some importance is the substitution of 3 for 5 years in the calculation of average emoluments for pension, a similar change having been made in the British Service Regulations. This change is sure to bring us a large number of applications for revaluation of pensions under the modified rule; and, to guard against it, it is very necessary to lay down once for all that no retrospective effect would be given to it, and that it would apply only to those retiring after it is brought into force.

4. The First Councillor has expressed his general approval to the proposed changes. As regards item No. 16 of the appended statement about delegating

43

to Heads of Departments the power of sanctioning excess expenditure under Article 135, the First Councillor is in favour of adopting the British Rule, under which, Government may delegate to Heads of Departments the power of sanctioning such expenditure, where it does not exceed Rs250, (in place of Rs100 proposed by the Comptroller), to which the Second Councillor also agrees. The British Rule, ~~which is adopted~~, *which is excessive and the limit of 100 Rs is very fair for this State.*

5. The Second Councillor also has expressed his general approval to the changes proposed, but makes a few observations regarding which I have added a word of explanation in the margin of his note.

6. The remaining items call for no special remarks, and sanction may kindly be conveyed to the changes proposed.

7. The present edition of our Regulations was published in 1901, and the many changes which have since been made, render the publication of a revised edition very necessary to avoid possible confusion. The Comptroller will be asked to undertake this work at a very early date.

OFFICE OF THE

COMPTROLLER, GOVT. OF MYSORE,

From

COMPTROLLER, GOVT. OF MYSORE,

To

H.V. Naniundaiyya Esq., M.A.M.L.
~~THE~~ SECRETARY TO THE GOVT. OF MYSORE,

General & Revenue

DEPT. S.

SIR,

I have the honor to acknowledge receipt of Govt. Pro. No. P & A 159 of the 5th Instant approving of certain Addenda & Corrigenda to the Mysore Service Regulations and to state, with reference to para 2 of the same, that the notes therein alluded to no doubt clash with Govt. Order No. 15097-136/PA1396 of 30th April 1903 regarding the grant of Privilege leave preparatory to retirement but they had been submitted to Government for approval long before the receipt of the said Government order. The notes in question have now been revised in terms of those given in the latest Edition of the British Regulations and of the Government order under reference and included in the fresh set of Addenda & Corrigenda herewith submitted.

2. These Addenda & Corrigenda are mostly taken from the fourth i.e. the latest Edition of the British Regulations and since our Regulations are based mainly on the British Regulations I have considered the embodiment of these Addenda & Corrigenda as very necessary and have accordingly submitted them for approval. Opportunity has been taken to rectify a few errors and to supply a few omissions found in the Regulations.

3. The only important changes proposed are:-

(1). Modifying the General rule so that the duties of an Officer absent on privilege leave may be discharged by another Officer in the same Station or District., as provided for in

Acknowledging receipt of Govt.
Pro. No. PA. 159 of 5th Instt. re.
granting privilege preparatory

Addenda & corrigenda based
on the British Service Re-
gulations.

(2). Authorising Heads of Departments to grant permission to an Officer under suspension to be absent for a limited period. At present this power is vested in Government only; but it is desirable that Heads of Departments also should have it, since such Heads have the power to suspend certain classes of Officers (Art.138.).

(3). The substitution of "leave of any kind" for "Furlough" in Art.154, as it was never intended that an Officer whom it is considered desirable to dismiss or remove for misconduct or in-efficiency should be given any leave; the prohibition in the article as it now stands is only as regards Furlough.

(4). Excluding from the operation of Art.303, Privilege or Subsidiary leave preparatory to retirement, as such leave, if due, are generally granted to Officers before their retirement and have since been embodied in our Regulations.

(5). The substitution of "3years" for "5years" in the calculation of average emoluments for pension or gratuity, similar change having been made in the British Service Regulations and the omission of Art.330A which is rendered unnecessary by this amendment (320A, 325 & 330).

(6). The revision of the table of present value of pensions as per British revised Table. (350A).

(7). The insertion of rules regarding the procedure for payment of leave allowances in England. (461A).

(8). The insertion of a rule removing the prohibition to consider matters affecting the pension of an Officer who has been granted privilege leave preparatory to retirement, as such an Officer may be considered to have virtually retired and the removal of the prohibition will avoid delay in pension being sanctioned and enable the Officer to draw it soon ^{after} as the expiry of the leave as possible. (Art.476(b)).

(9). The insertion of a note to the effect that no allowance is admissible for a journey made within the Municipal or other Administrative limits of a Station, the want of which is very much felt (516). The other alterations which are mostly verbal are inserted with a view to ~~the~~ render the rules clearer

3

clearer and a few others are intended to group in ~~their~~ proper places the ^{rules} which bear upon the same or similar subjects.

(10-. In conclusion I beg to invite your ^{attention} ~~attention~~ to letter No. ^x791/186 dated 10-8-03 in which for certain reasons assigned I have requested the Government to be pleased to relieve this Office of the work of advising Government on the interpretation of the rules of the Civil Service Regulations and of suggesting Addenda & Corrigenda thereto.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.

Letter No. ^{SC 2.} 1080
256
A: 14th August 1903 from
the Comptroller to the Govt
of Mysore submitting for
approval draft addenda
and corrigenda to the
Mysore Service Regulations
and requesting to be
relieved of the work of
advising Govt on the
interpretation of the
rules of the said Regula-
-tions and suggesting
addenda and corrigenda
thereto.

Order thereon No. 2065
923-3-04

The addenda and
corrigenda proposed are
approved with certain
modifications as shown
in the copy herewith
forwarded.

2. The only change
of some importance is the
substitution of three for
five years in the calcula-
-tion of average emolu-
-ments for pensions. This
change ^{is intended} ~~is~~ to bring in a
large number of applica-
-tions for revaluation of
pensions under the
modified

undified rule. To guard
against it, the G. A. ~~of H. H.~~
the Maharaja are pleased
to ~~lay down~~ ^{decide} that not to give
retrospective effect ~~to~~
be given ~~to~~ ^{the change} to ~~it~~ and
that it ~~would~~ ^{apply} only
to those retiring subsequent
to the 3rd March 1904.

the date of H. H. the
Maharaja's order.

3. The G. A. are not
prepared to sanction
any change ⁱⁿ the
existing practice and to
~~then~~ relieve the Cauphul
of the work of advising the
G. A. ⁱⁿ the interpretation
of the rules of the G. S. R. ^{us}
and ⁱⁿ ~~of~~ ^{it} suggesting
addenda and corrigenda
thereof.

4. The present edition
of the Mysore Service Regulations
was published in 1901. and
the ~~existing~~ ^{several} changes which
have since been made,
render the publication
of a revised ~~at~~ edition
~~very~~ necessary. ~~to~~ avoid
possible confusion.

The

The Comptroller is therefore
requested to undertake
this work at a very
early date.
